

NorCal Soccer Academy 2010

Monday July 26 – Friday July 30 at Pomolita Middle School Field

Camp is formatted so that the youth are practicing the basic fundamentals of soccer: passing, receiving and shooting. The children will have numerous repetitions and touches on the ball through fun games and the “World Cup” experience. Games and drills are designed to keep the children focused and have fun while refining their skills. The more touches each child has, the better their skills will become which will foster a passion and love for the sport.
