APPLICATION FOR SCHOLARSHIP

This non-profit corporation has been established to sponsor youth who are passionately dedicated to the game of soccer to attend camps and/or clinics or to play in another country, in order to give them skills to play at the highest level that they are capable of attaining.

Please fill out this form and attach at least two (2) recommendations from coaches/parents or others who know your ability, skill, dedication and need (more than two recommendations are acceptable and desired). The most important attribute is a very high desire to improve the level of your game on a continuing basis. You should be very easy to coach and be an inspiration to other players.

Also, attach a short biography of yourself and state your goals in life and in soccer and how this scholarship would benefit you.

Please attach an application for the camp.
